

# A FENCE FOR ALL SEASONS

**ALLSEASON**  
VINYL OUTDOOR PRODUCTS

# Knock Down System

Primary Components: 5" x 5" H-Post, 1½" x 6" Rail, 6" x 7⁄8" Board, 96" x 72" Section

The Knock Down System is intended for easy installation and no maintenance. The "smart and unique" H-Post design is engineered for easy and perfect installation, suitable for all terrain including sloping and uneven terrain, as well as irregular property lot shapes, and does not require routing of the post to accommodate rail assembly. With metal reinforcement of the H-Post and metal reinforcement of the rails, the KD System is structurally sound for fence sections up to 8-foot width and 6-foot height.

Knock Down System - 2-Rail Style

# Newport Series Full Privacy Fence

Primary Components: 5" x 5" H-Post, 72" x 72" Prefabricated Panel

The Newport Series: Full Privacy Fence is reminiscent of the immaculate northeastern summer White Houses that offered residents relief from the summer heat. All Season's Newport Series brings back elegance while offering complete privacy and security for your home.

**Newport Series – 2-Rail Style:** The classic 2-Rail model's clean lines offers full privacy and security with a flawless finish.

Newport Series - 2-Rail Style

**Newport Series – 3-Rail Style:** The 3-Rail model offers greater reinforcement while maintaining the clean aesthetic of the classic Newport series.

Newport Series - 3-Rail Style

# Hampton Series Privacy Fence with Topper

Primary Components: 5" x 5" H-Post, 72" x 57" Prefabricated Panel, plus Topper

All Season's Hampton Series offers a number of Topper options to help personalize and add character to your home.

## Super Fence System

Primary Components: 6" x 6" H-Post, 2½" x 6" Rail, 6" x 7/8" Board

The High-Performance Fence System ("Super" Fence) takes the Heritage Fence System to the next level. While maintaining the benefits of the Heritage Fence System, including easy installation, design flexibility and aesthetics; the High-Performance System offers superior structural performance, designed for high wind load applications and other structural fence applications. With its super-sized, and metal-reinforced H-Post and rail components, All Season's High-Performance Fence is the strongest vinyl fence system in the market.

# Bridgeport Series Horizontal Fence

Primary Components: 5" x 5" H-Post, 75" x 75" Sections

The Bridgeport Series is designed for special projects. 5" x 5" H-Post and 75" x 75" sections. Call us for more information.

## Performance by Design

From its core, All Season embodies easy installation and maintenance, beginning with its unique H-post profile. This unique 5"x5" profile is engineered to strongly anchor the fence panels, where its characteristic 'H' channel allows for secure grip and adjustable leveling and perfect finish with no gaps or space between panel and post.

# All Season Colour Selections

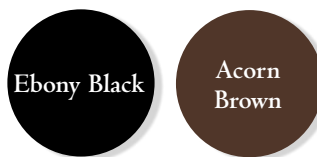

All Season offers a wide range of colours to suit any project. Technological innovation allows All Season the ability to offer a wide range of vinyl capstock colour exteriors, co-extruded for resilience against weathering and discolouration, to ensure long-lasting beauty and maintenance-free privacy.

## Vinyl Capstock Colour - Primary Line

For a timeless, clean finish, All Season offers a number of classic PVC capstock colours from their Primary Line.

## Designer Line of Acrylic Capstock

## Special Two-tone Design Options

For versatility and personalization, All Season offers a wide range of UV-protective acrylic capstock colours.

# Custom Fences

Contrary to its function, there are boundless possibilities when it comes to fencing. All Season can accommodate your vision from design, size, or more. Please contact your local technical representative for more information.

# A FENCE FOR LIFE

## What Makes All Season PVC Fencing the Best Choice:

- All Season PVC Fence is made in Toronto and supplied directly to the installers, which reduces the initial cost of the product, making it the most affordable PVC fence.
- All Season PVC Fence is the strongest fence on the market, using heavy duty H posts spaced 6' apart vs 8' offered by the competition. More posts per foot means it's 30% stronger and will resist higher wind loads for a longer period of time.
- New universal gate kit with aluminum side rails and stainless steel hardware, fits 20" to 48" openings.
- All Season PVC Fence comes with a Lifetime Warranty.
- The most up-to-date design on the market.
- Customized options available.

## Manufacturer's Limited Lifetime Warranty

All Season Fencing warrants its vinyl fence products are free from defects in material and manufacturing workmanship. When installed under normal conditions and proper use, All Season Fencing vinyl fence will not peel, pit, rot, blister, warp, crack, abnormally weather, or be consumed by insects. If such a defect or degradation is discovered, All Season Fencing, at its discretion, will repair or replace the defective material. For more information, please visit our website.
